

On the path of **Right View**, you travel with loving
eyeNOsense asking:

**Is there another way
of looking at it?**

What obstacles are on
your way now that you
could **SEE** as creative
challenges to help you
play better at **LIFE**?

⌘ Letter-being **Aleph**

a.k.a. The Fool

Should you **wonder**, the wonderFOOL coined **word**
“**eyeNOsense**” IS REALy what it describes, in that it
conveys exactly what innocence is, the art of perceiving
what is beyond labels or limiting judgments.
